What is **SYNTHIA**?

SYNTHIA is an AI platform that automates customer service, connects your digital and phone channels, and helps you turn every inquiry into a booked appointment or a sale.

2,847	1,204	612	78%
contacts	leads	booked	resolved

Conversations that become **customers**.

Everything your business needs, **in one system.**

SYNTHIA plugs into what you already use and turns every inquiry into a handled opportunity.

WhatsApp & messaging

Answers and follows up on the number your customers already know.

Meta ads integration

Replies to leads from your Facebook and Instagram campaigns in under a minute.

Assistant on your website

Guides visitors, answers questions and books the appointment.

Lead follow-up

Logs, qualifies and assigns every opportunity to your team, with a ticket number.

Phone line, 24/7

An AI receptionist that answers every call, in English and Spanish, and hands off the urgent ones.

Command Center

One screen for the owner: requests, response times, pipeline, what the assistant did.

What your **team gains.**

Less time answering the same questions; more time closing.

Instant answers

Better customer experience, shorter waits, no voicemail.

More opportunities

Captures and qualifies prospects 24/7, so nobody is lost after hours.

Less front-desk load

Your staff focuses on what matters: patients, customers and follow-up.

Bilingual by design

English and Spanish on every channel, with the same brand and tone.

Data-driven decisions

Real-time metrics and a monthly report; improve every month.

More technology. More time. More sales.

Use cases in your industry.

Clinics, dental, aesthetics, home services, restaurants and local retail in Southwest Florida.

Appointment requests, any hour

Captures the reason and preferred time; your front desk confirms.

Hours, insurance, services and pricing

The twenty questions your staff answers a hundred times a day.

Quotes for home services and projects

Collects the details and hands a complete ticket to your estimator.

Leads from your website and Meta ads

Answered in under a minute, with an owner and a next step.

Phone and after-hours coverage

Optional line that answers every call; urgent cases go to a person.

Built for regulated environments. Data handled under the agreements your industry requires.
